

18 Hour Introductory Class

These classes are being offered by NCSTA, the leader in NC on-site wastewater information and education. NCSTA understands the industry and the people that work in this industry and we offer education that prepares you to enter this industry and be successful.

- The 18-hour introductory class is required for anyone seeking to become certified as an on-site wastewater installer
- The Inspector class is required for anyone seeking to become certified as an on-site wastewater point of sale inspector

How to Register for 18 hour or Inspector class

PLEASE READ CAREFULLY

- Class size is limited and the classes generally fill up to capacity, so register quickly
- Complete all applicable blanks on registration form. Please print clearly.
- A separate registration form should be completed for each person attending. Class fees are per person attending.
- Step 1: Fax or email in completed registration form to secure a spot in class.
- Step 2: The original registration form along with payment must be received a maximum of 10 days after the fax or email in order to hold the spot in class. If the original registration form and payment are not received within this time frame you will lose your registration spot. **ALL FEES ARE NON-REFUNDABLE.**

HOW TO COMPLETE CERTIFICATION

PRIOR TO TAKING THE CLASS the application for certification should be submitted to NCOWCICB (North Carolina On-site Wastewater Contractor Inspector Certification Board). The application is available online at www.ncowcicb.info or by calling (336)-202-3126. The fee paid to NCSTA for the class **DOES NOT** include the application fee paid that must be paid to NCOWCICB.
